Terri,

I'm sure we have a hard copy in our file room but it may be more expedient to direct Mr. Donnelly to the copy posted on the Delaware Cape Gazette web site at:

Heads up on a request for a 2003 AO with Mountaire Farms in Delaware. There's a current issue with possible wellwater contamination from the poultry operation - <https://www.delawareonline.com/story/news/local/2018/06/28/mountaire-farms-faces-new-lawsuit-water-contamination/723535002/>.

Is this something OECA or R3 can help with on the request for the 2003 order? Including Ann Campbell with OW for awareness. Please let me know if any questions. Thanks,
Sven

Aaron,

My name is Andrew & I am Congresswoman Blunt Rochester's new AG & Environment LA. We've been dealing with a clean water issue in our district and there had been reporting that there was in EPA administrative order with Mountaire Farms in 2003. I've searched through the online portal and was able to find an order from '09 but not '03. I was wondering if you could help me get my hands on the actual order from 2003. Also, if you're not the appropriate contact, I apologize & ask that you direct me to the right person. Thanks!
